

Enrichment Center Coordinator

Organizational Overview

Rocketship Education (www.rsed.org) is a network of public K through 5 charter schools serving primarily low-income students in neighborhoods where access to excellent schools is limited. Using a blend of traditional instruction, adaptive technology and targeted tutoring, Rocketship strives to meet the unique needs of each and every student. But we believe that truly transformative schools do more than educate students; they empower teachers, engage parents and inspire communities. Together, we can eliminate the achievement gap in our lifetime.

Rocketship is based in San Jose, but we realize the achievement gap stretches across the nation. We're opening new schools every year to help reach the millions of students striving in underperforming schools every day.
