

## 1<sup>st</sup> Grade Math Teacher

### Organizational Overview

Rocketship Education ([www.rsed.org](http://www.rsed.org)) is a network of public K through 5 charter schools serving primarily low-income students in neighborhoods where access to excellent schools is limited. Using a blend of traditional instruction, adaptive technology and targeted tutoring, Rocketship strives to meet the unique needs of each and every student. But we believe that truly transformative schools do more than educate students; they empower teachers, engage parents and inspire communities. Together, we can eliminate the achievement gap in our lifetime.

Rocketship is based in San Jose, but we realize the achievement gap stretches across the nation. We're opening new schools every year to help reach the millions of students striving in underperforming schools every day.

### Position Summary

Teachers at Rocketship are the critical levers in a Rocketeer's academic and community success. They are the individuals that are entrusted with the academic futures of the Rocketeers and are responsible for ensuring that they achieve at or beyond grade level. Rocketship teachers maintain high expectations of themselves and of Rocketeers, are organized and prepared to teach, and treat all students, families, and colleagues with respect.

This position is for a first grade math teacher at Rocketship Brilliant Minds. Each Rocketship school is supported by a Regional Support Office, which is a division of the National Team.
