RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I used to be a student at Washington Elementary. I love that school because the students have lots of opportunities like being in clubs and associations. Right now I am a 6th grader at Burnett Middle School. I know that it is hard for my mom and my dad having to change things just to go pick me up and take me because my brother and my sister and my brother are still at Washington and we have different times of going to class and going back home. That is why I ask you that instead of doing another Rocketship Elementary, why not open a Middle School? Please I don't want for you to close Washington Elementary. I just want for you to open 1 middle school close by. PLEASE!

Worried,

Maria Gosetti Tellez Ramirez
