RE: Public comment on Proposed Rocketship #8 on the Tamien site

Por medio de la presente

Apoyo a la Escuela Washington. La escuela tiene lo que un estudiante necesita para lograr sus metas.

El apoyo de la maestra, directora y padres es muy importante. El programa bilingüe es importante ya que el estudiante aprende mas de un idioma y esto le ayudara en el futuro.

Apoyemos a nuestra escuela. Juntos podemos lograrlo.

Digamos no a otra primaria.

Digamos si a una secundaria.

Sinceramente,

Juana Escamilla

Through this letter:

I support Washington School. This school has what a student needs to achieve its goals.

The support from the teacher, principal and parents is very important. The bilingual program is important because students learn more than one language and this will help them in the future.

Let's support our school. Together we can do it.

Say no to another elementary school and say yes to a middle school.

Sincerely,

Juana Escamilla
