RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I am a mother of children at Washington Elementary school. In my humble opinion I am not against the opening of other schools. However, if the schools are elementary schools, I am not supporting that. What we need in the neighborhood is a secondary prep school. In the surrounding neighborhood, there are already many elementary schools.

Please consider not permitting more elementary schools to be built, instead building a secondary prep school that we really need.

Sincerely,

Aide Valle
