RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

Greetings! My name is Carmen de Leon, and I'd like to give my opinion about the new Rocketship that may be opening. I would like that they might also build a middle school. The truth is that all the middle schools are far from our neighborhood. I have a son who is in fourth grade, but soon he will have to attend middle school. I work, and it will be difficult for him to have to wake up even earlier. This will affect his learning and education.

If you decide to open a middle school closer to our neighborhood, that would be great. Thank you for reading my letter, and I ask that you make the best decision for us.

Sincerely,

Carmen de Leon
