RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

My name is Caridad Holquin. For me, Washington Elementary is a great school. This school has helped my child learn, and it's close to my house. The teachers are very kind, and the principal is very attentive to the parents and alumnae of the school. My daughter feels very motivated when she goes to classes. This has been a great school for my daughter. For this reason, it would be a shame to close the school. She has attended from kindergarten and is now in third grade. It is a blessing to have this school in walking distance from my house.  
Sincerely,

Caridad Holquin
