RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I support Washington Elementary for many reasons. I am a mother, and I volunteer at this school. I have three children, an 8th grader, a 5th grader, and one who just started kindergarten. Washington Elementary is my second home. I spend more than half my day here learning, helping, and supporting my child. To me this school is not bad, it's the best. I do not approve of three Rocketship Elementary schools in the area. If another Rocketship comes in, build a middle school, which is what we need in this area. I would approve of a middle school.

Sincerely,

Erika Murrillo
