RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I am Leopoldo de la Torre and my children have been students at Washington Elementary School for more than 15 years. They have been good students and they have graduated with good grades. This is why as a member of this community, I have noticed problems in the community surrounding elementary schools. As a citizen and a good parent, I request that the Santa Clara County Board consider constructing a middle school in this community if possible. Sincerely,

Leopoldo de La Torre
