RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I think that we have a lot of elementary schools in the area . And we don't need another Rocket Ship elementary around. Instead they should open a middle school. At Washington I have been able to help my kids ,because the staff gave me the support and tips to help me succeed. Washington has a lot of programs where students get the help they need to improve their academic level. Sometimes when I go for walks I meet people who tell me that Rocket Ship is a lot better than Washington, and it really bothers me to know that some people just don't think further , and don't know a lot about how Washington helps both parents and students rise to their best.

Sincerely,

Rebecaa Aguilera
