RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I feel very sad that many of the parents from the Rocketship charter schools verbally abuse and harass the parents from Washington Elementary School, saying that Washington students are academically below Rocketship students when I believe this is not true. The parents from Washington don't harass the parents from Rocketship. Because of this, and the fact that the Rocketship charter schools take students away from Washington, I am against another Rocketship charter school. I invite you to come to visit our school and community. Thank you for your time to read my letter.

Sincerely,

Graciela Leon
