RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

I am writing this letter to request your support for Washington Elementary School. My children are currently enrolled in Washington Elementary School. We are very happy with the school and are appreciative of the many programs that they have. I ask you to please consider this request and to support us in this endeavor so that we can continue moving forward and improving.

We are worried because we have heard rumors that the plan is to open up yet another school. Rocketship, which is nearby Washington Elementary School, has negatively impacted our school. For this reason, we would prefer that a middle school be opened. Thank-you for your consideration. We are hopeful for your support and participation.

Sincerely,

Rosaura Gonzalez
