RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

Hi, my name is Susana Jimenez. I am the mother of two children - five months and seven years. One of my concerns is their education. My 7-year old son attends Washington Elementary, a school that I like very much because it has helped my son in many ways. I am concerned for the future, as he will graduate from elementary school, and there are not many middle schools.

I don't drive for health reasons, and I have to walk to take my son to school. The good thing is that Washington Elementary is close to where I live, and for this reason, it would be great if another middle school were built, so that I don't have trouble getting him to school. Thank you very much for taking the time to read this letter from a mother concerned about the education of her children. Again, thank you.

Sincerely,

Susana Jimenez
