RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

My name is Victoria Cuenca. Before starting, I would like to inform you that Washington is an excellent school and that no school has the programs we have. I have a son in third grade, and I'm very happy that my son has a great teacher, and by her support, he's had a lot of success. I don't want to say that Washington is the best, because all schools are good. I give thanks to God that we have an excellent principal, because when we need to tell her something, she always listens and treats us with respect, trying to help us. There are not many principals of this type of high quality. I thank God for the opportunity that this great school is in our neighborhood. My kids are very happy because Washington has great teachers and many programs. The school offers Zumba, Mother to Mother, Boy Scouts, Las Mariposas, Adelante, and many more. Thank you for your time and for reading this letter.

Sincerely,

Victoria Cuenca
