RE: Public comment on Proposed Rocketship #8 on the Tamien site

Dear Mayor Reed,

Hello. I am here at Washington Elementary with my daughter because I like the attention and care they give to our children. From my perspective, I think that we already have various elementary schools here very close in proximity. Instead of another elementary school, I would like to see a middle school as that is what I really see is missing in this side of the community.

Sincerely,

Josefina Arenas
